Changes Coming January, 2025

CLASSROOM MOVES: Due to an unprecedented number of incoming infants this January, we will be "graduating" more than the usual number of students to the next classroom. Keep an eye on your email to see whether your child is affected.

TUITION INCREASE: KOCO's tuition will be increased by 9% effective January 6, 2025 (except Schoolage rates). This increase will help us to keep pace with state childcare tuition averages, as well as the ever increasing minimum wage. Please submit a new contract, located on our [website](http://www.koco4kids.org) and in our front foyer, before the new year.
