↑ Thanks to Alaina's mom (Nicole Williams) for facilitating mindfulness activities with our summer schoolage campers!

**HAPPY
4th of July**

↑ We wish Miss Luz Davila a warm welcome to KOCO. She will be Miss Mary's new partner in room 109.

↑ Carnival Party: Mini Golf. Even the preschoolers got a chance to participate!

↑ Laurie and Janet were proud to help out at the EHPL Summer Reading Program Kickoff Event at Center School

Another fine art project provided by Miss Amy Ordonez from Studio 13: painting colorful sea turtles on canvas ↓

↑ Teams worked together to design contraptions that would protect a raw egg when dropped from the playground climber — a KOCO classic experiment.

↑ Splash Pad!

Carnival Party: Luau! ↓

↑ Our Legacy Tile Wall is filling in beautifully! If you didn't have a chance to participate, we'll make sure to do this again in the fall.

☀ Summer's Here! ☀

Please be sure to provide a bottle of labeled, unexpired sunscreen for each of your children. We appreciate you applying the morning layer; we'll apply the afternoon layer.

This is a great time to send in a size- and season-appropriate change of clothing in case of accidents.

Our splash pad is operational and we have a new hose. Please send a bathing suit, water shoes, and towel for impromptu water activities!

We only bring water containers outside (not juice or milk); please be sure to send a water-only container, and we'll be happy to refill it with our delicious tap water.
